# Shakun

Interiors

*Our motto, your Satisfaction!*

## Firm Profile

Shakun Interiors is recognized as a one roof solution providing company with full-service interior design firm specializing in comprehensive interior detailing and space planning. Clients who want a highly differentiated product choose Shakun Interiors for artistic and beautiful interiors designed to create consumer desire and ultimately drive sales. With an active private residential practice, Shakun Interiors' design teams have direct access to a wide range of high-end design trends and ideas. This thorough understanding of the luxury buyer's needs and desires is critical to all in-house design disciplines and projects, and is what sets Shakun Interiors apart. The full-service firm, Located in Ahmedabad, Gujarat also provides model residential and commercial design services.

As a company, we prefer a collaborative approach to design that encourages our clients to develop and hone their own style and taste. The final design ensures a beautiful, comfortable, and most importantly a functional space for our clients. We recognize that the most important element in our designs is the people who use them in the end.

Whether yours is a modest family home or a palatial estate, a small business office or a grand resort, Shakun Interiors is able to take on any size project and implement a beautiful design transformation. Our team will design the interior environment you desire, utilizing fine-tuned vision and proven trustworthy business practices.

With over many years of experience in the design industry, our company maintains close relationships with top quality suppliers and the most skilled sub-contractors. Our design experience and knowledge make the entire Shakun Interiors team invaluable to our clients.

## PHILOSOPHY

An emphasis on giving all in one house solution, interior detailing combined with a “naturally elegant” approach to design form a unique offering. Our firm’s philosophy of “the difference is in the details” consists of attention to detail not only in design, but also customer service as well. We work with the “all in one single motto of customer satisfaction”. This approach allows the firm to provide its clients with superior design and service. Each client’s needs become the platform from which Shakun Interiors conceptualizes its initial proposals. The design team works closely with the client over the course of the project to achieve a highly desirable end result.

Shakun Interiors was established in 2017 as a dedicated firm for complete interior solution under Vishwaa Infra care, which has been serving the market since 2011. Today Shakun Interiors employs approximately 15 professional teams for executing different tasks

## **LEADERSHIP**

Our dynamic management team has been providing extraordinary leadership and vision for over 6 years.

### **Amit Kishanavtar J**

Amit Joshi, Founder and Design Principal of Shakun Interiors, is regarded as a leading authority on home fashion and interior design. He graduated from BK School of Magt College and began working in the design field in 2014 under Vishwaa Infra Care. In 2017 he established Shakun Interiors as a dedicated company for interior designing. Design is truly second nature to Amit; his focus is primarily on high-end residential and commercial projects. Amit is happiest when his schedule runneth over! He is solution driven and believes the best tool in any situation is a smile. Amit travels extensively around different places to a variety of project sites where his expertise is in high demand. He enjoys spontaneity and sharing new experiences with others. Amit Joshi is a talented speaker and very humble person who also run a charitable organization for poor children and aged citizens. Amit Joshi has been inspired to create a new collection and is currently seeking opportunities to bring his perspective on design into the marketplace.

## **Punit Joshi**

Punit Joshi is the founder of Vishwaa Infra Care, here he manages and mentors a highly talented commercial and residential waterproofing team. With an extensive background in construction, his ability to meet client needs, and leadership qualities have contributed to the overall success of this group since 2011.

His impeccable solution finding ideas have made him a trend setter. In his travels he is always checking out great design and new trends to incorporate into the firm. Punit's work is highly-awarded by different companies like Pidilite and Asianpaints.
